Green Springs, Ohio – St. Francis Hospital Foundation would like to thank the members of the Reverse Raffle Committee for another outstanding event. The St. Francis Hospital Foundation was presented a check for \$28,000 from the Reverse Raffle that was held May 2nd. These funds will be used toward current renovations. These renovations will allow St. Francis Health Care Centre to continue to fulfill our mission by providing better care and opportunities for the residents to enjoy.

The Foundation raises funds to improve the surroundings of the residents, provide specialized medical equipment and services as well as enhance the lives of the residents at St. Francis Health Care Centre. The Foundation also helps with large projects for the facility. Last year the monies raised through the St. Francis Hospital Foundation were used to reconstruct and renovate the existing dining room on Villa St. Joe. New curtains, floor, ceiling, and a big screen TV were some of the purchases made with the funds that were raised.

Members of the Reverse Raffle Committee are: President, Deb Kuns; Secretary, Andrea Wise; Treasurer, James Walter; and board members Larry Adelsperger, Lori Adkins, Erika Bruns, David Fahrbach, Bob McCartney, and Executive Director: Foundation, Jean Smith.
