New aquatics program offered at St. Francis

GREEN SPRINGS — St. Francis Health Care Centre starting in January will be offering a special open swim time at the Aquatic Centre for parents and children.

On Tuesdays from 6 until 7 p.m. enjoy the therapeutic benefits of warmth and water.

The water temperature is maintained at approximately 94 degrees.

A physician's prescription is required for all programs and

can be faxed to St. Francis Health Care Centre at 419-639-6217.

The cost for this program is \$3 per visit for adults and \$2 per visit for children.

The center asks that there be one child per adult. Grandparents are welcomed to participate and encouraged to bring their grandchildren.

For additional information, please contact Sarah at 419-639-6251.
